Dear Stanislav,

Supporting scholarships at Humber College is an investment in the next generation of professionals. Your gift provides students with opportunities to excel in their studies while alleviating some of their financial burdens. This generosity shows students that there is a caring community behind them that sees their potential and wants them to succeed. That's why your generous contribution to the Insurance Brokers of Toronto Region Scholarship has meant so much.

Last year, over 1,100 Humber students were supported through scholarships, affording them financial security as they continue along their journey toward graduation. We certainly could not continue to offer these life-changing opportunities without the generosity of donors like you and we are so very grateful for your continued support.

Your dedication and philanthropic spirit are an inspiration and make Humber a great place for students to learn, grow and thrive as they work toward their career goals. You are also creating an important legacy by touching and transforming the lives of those who will transform the future, like Sunali Dembla.

Thank you for your commitment to providing students at Humber the opportunity for a future with limitless potential. Enclosed please find your annual scholarship package. As you read about the impact you have made, we hope you feel proud to be a part of a caring community that is truly making a meaningful difference in the lives of our students.

Sincerely,

# Unlimited Gratitude

Dear Mr. Kojokin,

My name is Sunali Dembla. It is an honour for me to receive this scholarship. I was ecstatic to discover that I had been chosen, and I will never forget this experience.

As I strive to finish my Insurance Management – Property and Casualty diploma, I cannot wait to step into the industry with Humber College on my resume. I am currently in my second semester while already working in the industry under a brokerage, all thanks to employer showcases that are a Humber advantage, and it was a memorable experience. I have already established contacts in the area and am well-versed in it. When I first began the program a few months back, I could never have envisioned being where I am now. I am incredibly appreciative of everyone who has supported me along the road, including getting this scholarship. I intend to seek a career in a brokerage and become a commercial line broker after I graduate.

Receiving this grant has given me the confidence I need to have faith in my abilities and recognize my hard work. I want to finish strong and really embody everything about this scholarship as I draw closer to the end of my studies. I am fortunate that people like you care about helping students, so we can continue our education without having to think about financial difficulties. I have been able to devote all of my attention to improving my work and professional portfolio thanks to this scholarship.

Thank you, it is humbling to have my efforts appreciated.

Sincerely,

Sunali Dembla

## Longo Faculty of Business

You are making a difference in the lives of Humber students and investing in the next generation of innovators and leaders. Scholarships open doors to countless opportunities for academic, personal and professional growth, and provide students with encouragement to learn, grow and thrive as they work towards their career goals.

Your support also helps to advance our bold ambition to ignite discovery and innovation, accelerate student potential and transform the learning experience through our Unlimited Campaign. Thanks to you, Unlimited will be the catalyst for enhancing the Humber experience, create an environment for achievement, and it will set the stage for a future full of limitless potential and success for our students.

**\$89.2M** raised in support of our Unlimited campaign  
173% of our \$50M goal

**\$38.8M**  
to Ignite Discovery and Innovation

**\$36.6M**  
to Accelerate Student Potential

**\$13.9M**  
to Transform the Learning Experience

\*At Humber, specific scholarships are given to Indigenous peoples and students from equity-deserving groups. Equity-deserving groups include women, racialized persons, members of the black/African community, persons with disabilities, persons from diverse gender identities and persons with diverse sexual orientations.

2022-2023

Receiving this scholarship will go a long way in helping me to achieve my academic and career goals. The financial assistance has helped to alleviate the burdens of my tuition fees and allowed me to focus on studying and excelling in my classes. This support has also given me encouragement- knowing that my hard work and dedication have been recognized and appreciated, motivates me to work even harder. Thank you for your generous support, investment in my education, and belief in my potential.

**Marketing Management**

I am a full-time student and have persevered through abuse & homelessness. It is extremely challenging to stay afloat especially in the middle of a global pandemic and rising inflation. Receiving this scholarship has helped to lift me out these struggles and allows me to focus on a better future and career in an industry I love. I hope to become a source of inspiration to others and help eradicate hunger. Thanks to your generous support, I am one step closer to achieving my goals.
